

TSUNAMI EVACUATION EXERCISE

THURSDAY OCT. 27	10:00 AM	CRESCENT CITY TSUNAMI INUNDATION ZONE
---------------------	----------	---

Help keep the City of Crescent City TsunamiReady

PRACTICE YOUR RESPONSE TO A CASCADIA EARTHQUAKE AND TSUNAMI
**JOIN US FOR A VOLUNTARY EVACUATION
OF THE CRESCENT CITY TSUNAMI INUNDATION ZONE**

HOW TO PARTICIPATE:

- Plan your evacuation route: use the QR code below to view the Crescent City tsunami hazard map or visit preparedelnorte.com/tsunami-zone. If your location is in the yellow hazard zone, use the map to plan your walking route to a safe area in green.
- On October 27th at 10:00 AM, drop and take cover under a sturdy piece of furniture. Hold on for one minute to simulate a large local earthquake. (Tune your radio to KCRE FM 94.3, KPOD FM 97.9, or KPOD AM 1240/106.7 to hear an audio earthquake simulation to start the exercise!) Leave your location on foot and travel to your safe location in the green zone. Try timing your evacuation!
- Tell us how it went. Take our survey at preparedelnorte.com/exercise.

JOIN US at the Recreation Department at 1005 H Street for a shelter practice and gathering with snacks, activities, and preparedness information following the exercise.
